Mr. A. Manley,

Newark, N. J.

Dear Abe,

I expected to get back to the Hotel last night but it was too late after I had finished with my other appointment.

I wanted to talk to you about supplying the Newark Eagles with their equipment this season.

There will be a shortage of Baseball Uniform flannel and if you folks were interested in any uniforms I would suggest that you place your order at the earliest possible date. I have already placed several orders for uniforms so as to be sure that the teams would not be dissapointed. Since Spalding discontinued the manufacture of uniforms, Wilson's have been making some of these for me.

I shall be very glad to quote you the same prices that they offer to you.

If you would like to see samples I shall be glad to get the same for you.

Please let me hear from you.

Very truly yours,

W. A. Leuschner
